

# Notification – Wiley Park

February 2024

**Sydney Metro is Australia’s biggest public transport project.**

By 2030, Sydney will have a network of four metro lines, 46 stations and 113km of new metro rail.

Sydney Metro is revolutionising how Australia’s biggest city travels, connecting Sydney’s north west, south west and greater west to fast, reliable turn-up-and-go metro services with fully accessible stations.

Passenger services from Chatswood to Sydenham will commence in mid-2024, then onto Bankstown in 2025.

**In February, work will continue along the corridor and at Wiley Park Station (weather and site conditions permitting).** Work will be undertaken during standard construction hours, **Monday to Friday 7am-6pm** and **Saturday 8am-6pm**. You may also notice an increase in plant and materials being removed from our sites as contractors change over along the alignment.

Location	Details of work during standard construction hours (daytime)
Wiley Park (along the rail corridor)	<ul style="list-style-type: none"> <li>● Testing and commissioning activities</li> <li>● Site investigations, surveys and associated activities</li> <li>● Mobilisation and demobilisation of plant and materials including preparatory activities for upcoming out-of-hours work</li> <li>● De-vegetation and tree clearing throughout the rail corridor where required</li> <li>● Work related to security fence installation</li> <li>● Parking removal and lane closures to facilitate plant/truck operation, parking and access at various locations along the corridor</li> <li>● Temporary footpath closure along the rail corridor on The Boulevard between Ernest Street and King Georges Road</li> <li>● Temporary footpath closure along the rail corridor between Railway Parade and King Georges Road (pedestrian diversion via Alice Street North and Lakemba Street to King Georges Road)</li> <li>● Installation of cables and trackside equipment</li> </ul>
Wiley Park Station	<ul style="list-style-type: none"> <li>● Installation of equipment, cables, cable tray and cabinets in station rooms and buildings</li> </ul>

**Out-of-hours works**

Due to the nature of some activities and for the safety of workers, some work will occur outside standard construction hours, when trains are not running. Some equipment will also be delivered outside standard construction hours in line with Transport for NSW requirements for the movement of oversized vehicles. Properties close to scheduled work will be notified prior to work starting. Planned out-of-hours work is detailed in the table over the page.

Date / Time	Details of out-of-hours work
<p><b>Upcoming rail possessions:</b></p> <p><b>Saturday 3 February to Sunday 4 February 2024</b></p> <p><b>Saturday 17 February to Sunday 18 February 2024</b></p> <p><b>(24/7 work)</b></p>	<ul style="list-style-type: none"> <li>• Site investigations, surveys and associated activities</li> <li>• De-vegetation and tree clearing throughout the rail corridor where required</li> <li>• Mobilisation and demobilisation of plant and materials including preparatory activities for upcoming out-of-hours work</li> <li>• Work related to overhead wiring upgrades</li> <li>• Installation of brackets and containments on the station platform</li> <li>• Work related to the segregation and security fence installation within the rail corridor</li> <li>• Parking removal and lane closures to facilitate plant/truck operation, parking and access at various locations along the corridor</li> <li>• Temporary footpath closure along the rail corridor on The Boulevard between Ernest St and King Georges Road and Railway Parade and King Georges Road</li> <li>• Installation of equipment, cables, cable tray and cabinets in station rooms and buildings</li> <li>• Installation of cables and trackside equipment along the rail corridor</li> </ul>
<p><b>Mid-week between 6pm and 7am (for no more than 3 nights per week)</b></p>	<ul style="list-style-type: none"> <li>• Site investigations, surveys and associated activities</li> <li>• Mobilisation and demobilisation of plant and materials including preparatory activities for upcoming out-of-hours work</li> </ul>

Equipment used for all the above work will include heavy machinery (including but not limited to excavators, jack hammers, vacuum trucks, hi-rail vehicles, slashers, motorised saws, concrete trucks, elevated work platforms, concrete pumps, cranes, cable pulling equipment, road sweeper, compactors, lighting towers, forklifts, chainsaws, and water carts), and hand and power tools.

Access to buildings and driveways will be maintained at all times. Some of this work may be noisy, however we will take every step to minimise noise such as switching off equipment when not in use and using non-tonal reversing beepers.

### Keeping you informed

You can contact us on **1800 171 386** (24 hour community information line). If you have questions about the **substations** please ask for **Grace/Alana** or email [LinewidthMetro@transport.nsw.gov.au](mailto:LinewidthMetro@transport.nsw.gov.au). For all other work please ask for **Julie** or email [SouthwestMetro@transport.nsw.gov.au](mailto:SouthwestMetro@transport.nsw.gov.au).

**Thank you for your cooperation while we complete this essential work.**
